

Sports Premium Funding

PE and school sport continue to play a very important part in the life of St.Peter's School. We believe that PE and school sport contribute to the holistic development of our children and through participation, our children build and learn more about our key values such as respect, unity, co-operation and kindness for themselves and others.

The government has announced that it is to continue with this funding for the foreseeable future.

Our Sports Premium funding allocations are as follows:

- Amount of funding received in 2016/17 - £8,890
- Amount of funding received in 2017/18 - £17,780
- Amount of funding allocated in 2018/19 - £17,962

We are therefore delighted to be able to use the approximate £17,962 Sport Premium to support the development of PE and school sport in 2018-19 in the following ways:

- As a school we are focused on developing healthy life styles for our children so they can continue to grow up health and fitness aware.
- We have achieved our Gold Travel Plan award 2018 which includes promoting walking to school and being healthy
- Our staff work alongside our Sports Coach (one day a week) to deliver quality PE lessons and develop the skills of all children.
- Furthering community links, particularly with our neighbouring schools – St.Patrick's School, and our feeder secondary school – St.Paul's Academy.
- We participate in termly competitions where we have achieved great success – we have team training in readiness for the competitions.
- Our After School provision includes Hip Hop Dance, Team Training, Cheerleading, Multi-Sports and Football.
- We have achieved our Silver Healthy Schools Award 2017, which includes mental health awareness training.
- Updating and improving our sports resources
- We also engage our children at lunchtimes with sports ranging from basketball and football skills to skipping, hoops and can stacking.
- We started the daily mile in Years 2 and 5
