20. Walk down to the River Thames	<input type="checkbox"/>	<input type="text"/>

At St. Peter's Primary School we encourage children to live as children. We value and respect the innocence of childhood and the individual's strengths and weaknesses. As a school we encourage each child to use his/her gifts and talents for self fulfilment and the good of all and foster knowledge, experience and understanding.

Learning is not just about written work. Every child should have the chance to experience the benefits of learning beyond the classroom. Giving children the opportunity to try new things and develop new skills is hugely beneficial. It can help children to grow in confidence, expand their understanding of the world around them or unlock an unknown passion or a new hobby.

The activity passport was developed by the Department for Education. Each year group has 20 possible activities designed to build children's character and resilience .

We hope you enjoy completing some or all of these activities with your children .
