

## Sports Premium Funding

PE and school sport continue to play a very important part in the life of St.Peter's School. We believe that PE and school sport contribute to the holistic development of our children and through participation, our children build and learn more about our key values such as respect, unity, co-operation and kindness for themselves and others.

The government has announced that it is to continue with this funding for the foreseeable future.

Our Sports Premium funding allocations are as follows:

- Amount of funding allocated in 2018/19 - £17,962
- Amount of funding allocated in 2019/20 - £17,797
- Amount of funding received in 2020/21 - £17,790

We are able to use the approximate £17,790 Sport Premium to support the development of PE and school sport in 2020-21 in the following ways:

- As a school we are focused on developing healthy life styles for our children so they can continue to grow up health and fitness aware.
- Our staff work alongside our Sports Coach (one day a week) to deliver quality PE lessons and develop the skills of all children.
- Furthering community links, particularly with our neighbouring schools – St.Patrick's School and St.Paul's Academy.
- We participate in local competitions where we have achieved great success – we have team training in readiness for the competitions.
- Our After School provision includes Team Training, Netball, Multi-Sports and Football, plus Gymnastics.
- Updating and improving our sports resources
- We also engage our children at lunchtimes with sports ranging from basketball and football skills to skipping, hoops and can stacking.

### Outcomes for PE 2019-2020
