

23rd September 2021

Dear Parents/Carers,

Our school has registered to take part in Morrison's 'It's Good to Grow' scheme which runs from 6th September until the 24th October 2021. Please download the 'MyMorrison's' app, head to the **It's Good to Grow** section and select our school to donate your grow tokens to. You will receive 1 grow token for every £10 spent in store or online. The school will then be able to redeem tokens to purchase gardening equipment.

Thank you
Yours sincerely

Miss Du Bruyn
Headteacher
