

8th October 2021

Dear Parents

Year 6 Safety Bus Workshop

A group of Year 6 pupils will be attending a Safety Bus Workshop on Thursday, 14th October. This is being organised by Royal Greenwich Road Safety Team, Transport for London and members of the local Safer Policing Team.

The aim of the workshop is to boost confidence for pupils who travel by bus especially as they look towards independent travel to secondary schools. The pupils will travel on a dedicated Safety Bus from Woolwich to Thamesmead and back. During the journey the workshop will deliver a variety of scenarios which will help children develop an awareness of how to deal with different situations that may arise when they independently travel by bus.

We are looking forward to taking part in this initiative which will help to give some good advice to pupils about travelling independently.

Yours sincerely

Miss M Du Bruyn
Headteacher
